FORMULA VEE ASSOCIATION OF AUSTRALIA INCORPORATED

CONSTITUTION - 2005

PREAMBLE

1. NAME

The name of the association is Formula Vee Association of Australia Incorporated ["FVAA"].

2. PROVENANCE

- (a) The original concept of Formula Vee motor racing - a class based on standard Volkswagen Type 1 [1200cc] components - emerged in the USA in 1959, and was developed in Italy during the early 1960s. The class rapidly spread throughout North America, continental Europe and the UK in varying detail configurations. By the mid-1960s, Formula Vee had migrated to Australia where sporting associations dedicated to the class formed in several states.

In the interests of uniform standards for vehicle construction and scrutineering CAMS decided to approve for general application in Australia the specifications as adopted and promulgated by "Formula Vee International", and endorsed by the Sports Car Club of America - which value driver skill above vehicle sophistication.

To further recognition of Formula Vee by CAMS and the public as a national class in Australia, the FVAA was created circa 1969, as an unincorporated alliance comprising the individual members of all the state Formula Vee Associations then in existence.

Following the establishment of Formula Vee Associations in all states, and expansion of the FVAA to include the members of all six such Associations, a constitution was agreed upon in 1996 that enabled the six state Formula Vee Associations to form an incorporated body under the law of South Australia. Each individual member of every state Formula Vee Association is thereby deemed to be also a member of the FVAA.

- (b) As an association formed for the purpose of sport, recreation or amusement, a principal or subsidiary objective of which is not to engage in trade or commerce, and the rules of which have been adjudged to meet the requirements of the Act, the Minister has consented to the FVAA being registered as:
- (i) a body corporate; [Registration No. A0023203W]
 - (ii) with perpetual succession and a common seal; and
 - (iii) with a corporate name in which the word "incorporated" must appear at the end.
- (c) The FVAA is not a prescribed association for the purposes of the Act.
- (d) The FVAA is:
- (i) registered with the Australian Taxation Office under ABN 27 194 015 498; and
 - (ii) excluded from the provisions of the Corporations Act subject to s. 3A of the Act.
- (e) The FVAA has legal powers under the Act and other powers as have been agreed by its Members to formulate and administer policies and rules for the conduct of all Formula Vee competition throughout Australia. Accordingly, the FVAA is accredited as the single body competent to represent Formula Vee competitors to CAMS.
- (f) Notwithstanding the FVAA's qualified authority at a national level, the identity and role of the six state Formula Vee Associations remain in no way compromised: their administrative, sporting and social responsibilities towards their members are undiminished; and each such Association maintains membership of their respective CAMS State Council. Subject to submission to this Constitution by all Members, the FVAA respects the right of each state Formula Vee Association to conduct its internal affairs according to its own rules and regulatory processes.
- (g) While the technical specifications of Formula Vee continually evolve, the principle of accessible, fair sporting competition remains the constant that underpins the conduct of the class.
